Enter the desired Quantity of flasks in the Column "My Order".

Plant List 2019

NB. This order form is for your benefit only - Code, Name & Quantity by return email is all that is needed to place an order.

Climate	Code	Name	My Order
<p>NB. This order form is for you to indicate from the entire Peruflora plantlist, just what you would like to see in flask going forward. When they next flower, pods will be created and seedlings raised in due course. Prices will be advised at flask stage but are expected to be in line with current Peruflora prices. This is a unique offer from one of the world's leading plant nurseries!</p>
